St Berchmans College

AUTONOMOUS College with Faculty of Education Accredited by NAAC 'A' Grade

CHANGNASSERY, KERALA

About SB College

St. Berchmans College Chanaganassery celebrating the centenary year, was established in 1922 by the Archdiocese of Changanassery as an intermediate college affiliated to the University of Madras. Now the college is autonomous and is aided by the Government of Kerala. The pursuit of excellence by the college is evidenced by winning the prestigious R. Sanker award instituted by the Government of Kerala for the best special grade aided college in the state in 1996 and 1997. In 2004, UGC identified St. Berchmans as a college with potential for excellence. DST extended its support through FIST scheme in 2005 and 2006 to the Physics and Chemistry Departments in the college. In 2012, DST expanded its FIST support to all the science departments in the college. In 2014, the college became autonomous. At present the college offers seventeen UG, nineteen PG and three MPhil programmes. There are eleven research departments offering doctoral programmes. In 2017 NAAC reaccredited the college with A grade with a score of 3.46. In 2020 the college secured 79th rank in the prestigious NIRF ranking.

About PMMMNMTT

The Scheme of Pandit Madan Mohan Malviya National Mission on Teachers and Teaching is the culmination of the Government of India efforts in launching a comprehensive umbrella scheme aimed at improving the quality of education at all levels by infusing quality and excellence in our teachers and teaching. Its main goal includes to empower teachers and faculty through training, re-training, refresher and orientation programmes in generic skills, pedagogic skills, discipline specific content upgradation, ICT and technology enabled training and other appropriate interventions.

This Institute, affiliated to Mahatma Gandhi University, Kerala, offers calibrated Autonomous curriculum for its two-year full-time Master of Business Administration (MBA) Programme, recognized by All India Council for Technical Education, New Delhi.

Berchmans International Conference 2022

Significant changes in the business scenario, greatly influenced by the COVID 19 pandemic, has contributed to the new thinking – are the businesses invented in the pre-pandemic times sustainable enough for the new normal? A broader question that requires urgent attention, not only at the leadership levels but at every dimensions of any given organization. Organizations of the future requires substantial reframing in their DNA so that it becomes resilient and agile to take on the ever changing business environment. Managing organizations requires a totally new mindset that suits the dynamic nature of today and tomorrow. Industries have evolved fivefold when the managerial mindset has not evolved faster. Now is the time for managerial mindset to embrace newness and innovate itself to reframe the business dynamics for the new era. A mindset where digital transformation influences business dynamics than ever before, while the formal hierarchical structures , pathologies of organizational design , corporate governance , community and citizenship structures , relationship networks and technology integrations, requires relevant reframing to suit the unprecedented challenges. Such unprecedented challenges demand unprecedented solutions that requires reframing business dynamics that enables sustainable business models in the new landscape of business for larger good.

Call for Paper
