Minutes of the Board of Studies Meeting
held at 10:30 am on 24 January 2020.

The meeting started with silent prayer. Dr Shine C Mathew (HOD and Chairman) extended a warm welcome to the members of the Board of Studies.

Agenda

1. Evaluation of Revised Syllabus
2. Decision on the title of a course

Dr Ullas Thomas and Fr John J Chavara gave a brief evaluation of the new syllabus started in the first semester. Also discussed about all other semester courses.

Mr Tobin Thomas evaluated MSc syllabus. New marking pattern had made a great influence in students in learning concepts, rather than byhearting each and everything for marks. Students have improved in the concept.

The board suggested the use of a programming language for the course on Optimization Techniques. Also the board advised new textbooks for Measure and Integration.

The board suggested to skip the papers which are not offered for many years from the electives list.

The board discussed about add-on courses. The members commented that even if there is no computer related papers in BSc syllabus, add-on course of skill training course compensate it. The board members appreciated the effort made by the department in organizing various programmes.

□ The board of studies decided that the title of the course BBMM508: Environmental Issues, Human Rights and Differential Equations is retained as it is in spite of the recommendation from Governing Council. The board of studies decided that the hours/week for the open course should be 3 hours/week. □
