2017-18

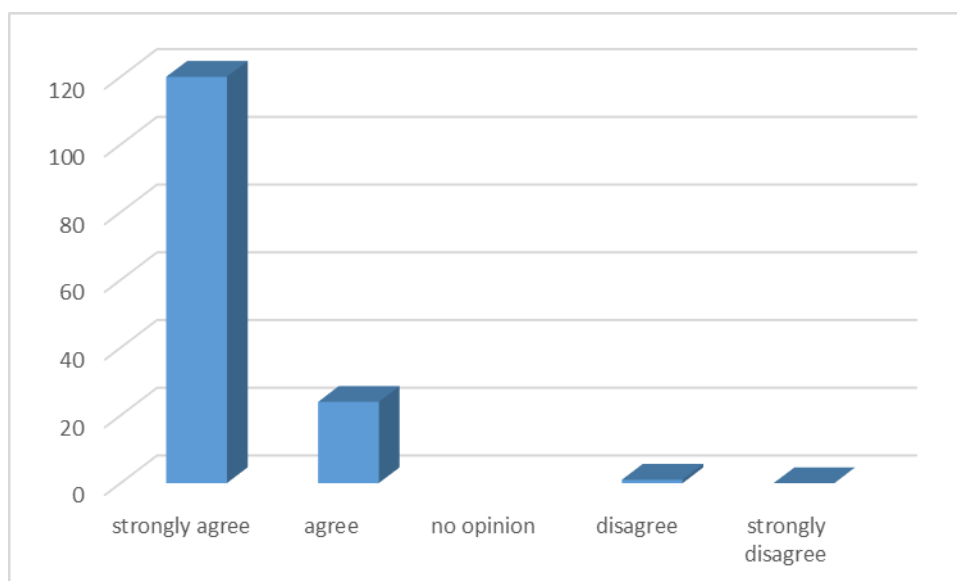

ST BERCHMANS COLLEGE CHANGANASSERY
REPORT OF STAKE HOLDER'S SURVEY 2017-18

PERIOD	2017-18
CATEGORY	TEACHERS
DATA USED	PRIMARY DATA
DATA COLLECTION TECHNIQUE	QUESTIONNAIRE METHOD
SAMPLE SIZE	145
ANALYSED BY	DATA ANALYSIS WING –IQAC@SBC

Methodology

The feedback on curriculum is collected from teachers to know their opinions and gather their suggestions regarding the academic quality of the curriculum. The details are collected using questionnaires. Suggestions on areas to be focused and revised are considered by the institution and necessary actions are taken.

- **The course objectives are clear and reflected in a syllabus**

- **The Course is well organized (e.g. teaching hours, content flow etc.)**

- **Emphasis on fundamentals, coverage of modern/advanced topics, and good balance between theory and application**

- **The course is well-structured to achieve the learning outcomes**

- **The books/reference materials prescribed are relevant, updated, and appropriate**

- **Assessments and instructional activities align to the learning and teaching objectives**

Suggestions

- There is a need to give emphasis on fundamentals, coverage of modern/advanced topics, and good balance between theory and application.
- In certain courses there is need to restructure the syllabus to achieve the learning outcomes.
- List of reference materials needs periodical updation.
- Assessment tools should be modern and appropriate

Action taken

Summary of the findings were discussed in the staff council. Departments were asked to consider the same.

➤ **Methodology**

The opinion on curriculum is collected from teachers to get their feedback and gather their suggestions regarding the academic quality of the curriculum. The details are collected through Google forms/questionnaires. Suggestions given by the teachers and their grievances are considered for the formulation of policies.

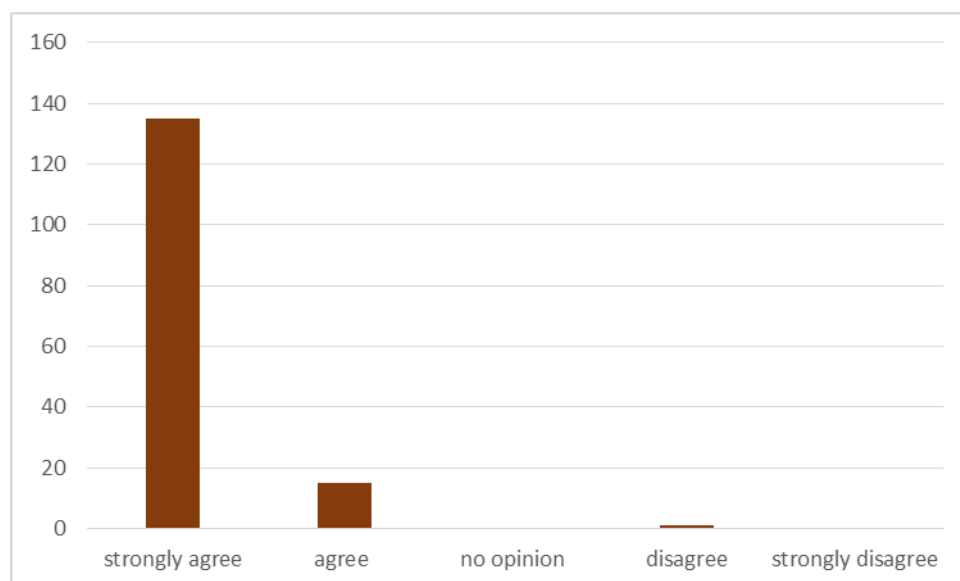

➤ **The course objectives are clear and reflected in a syllabus**

➤ **The Course is well organized (e.g. teaching hours, content flow etc.)**

➤ **Emphasis on fundamentals, coverage of modern/advanced topics, and good balance between theory and application**

➤ **The course is well-structured to achieve the learning outcomes**

- The books/reference materials prescribed are relevant, updated, and appropriate

- Assessments and instructional activities align to the learning and teaching objectives

Suggestions

- Offer more short term courses that can sharpen the soft skills of the student.
- Increase the number of collaborations and thus give a chance to the student to learn from practical experience.
- Add on programmes in MS Excel must be offered

Action taken.

- Soft skill training started
- Training session were organised to improve the language fluency of the students.
- PAC@SB was given the directions to offer more short term training sessions.
