Student Attributes Facilitated by the Institution

St Berchmans College (Autonomous) Changanacherry recognizes the crucial role it plays in shaping the futures of its students. As such, the college is dedicated to creating a student-centered learning environment that prioritizes the needs and interests of its students. By focusing on student-centered activities, the college demonstrates its commitment to providing a high-quality educational experience for all its students.

St Berchmans is important in shaping students' overall development, not just academically but also personally. To that end, various departments hold conferences and seminars on new developments in their respective fields, allowing students to stay up to date on what is new in their field of study. These events not only keep students up to date on the latest developments, but they also allow students to network with professionals and gain valuable insights into the industry. In addition to these educational events, departments host cultural festivals, and the college hosts an arts festival and other cultural events as part of its student union activities. These programmes provide students with the opportunity to discover and develop hidden talents such as music, dance, and public speaking.

St Berchmans fosters a well-rounded education and helps to build confident, capable individuals who are prepared to succeed in the future by providing students with these opportunities. St Berchmans is critical in shaping the character and values of its students, as well as promoting a sense of social responsibility. To that end, the college participates in a variety of community development activities aimed at improving the lives of those in need.

St Berchmans College (Autonomous) Changanacherry always aims at facilitating students for achieving Professionalism, and Success, in all its curricular, co-curricular, and extra-curricular activities. To maintain the highest academic standards the college has been upholding the noblest Christian ideals and moral values to create enlightened, empowered, and socially committed youngsters since 1922.

Following student attributes are facilitated by the college:

- **Excellence:** The College promotes excellence as a quality among the students in all their activities whether curricular or extra-curricular and motivate them to strive for the best.
- **Discipline :** The college maintains a Code of Conduct for students to develop among them discipline, punctuality, behavioral decorum and professional ethics. The value education classes which are compulsory to UG programmes ensure the same.
- **Integrity:** Integrity is the quality of being honest in all things, to all people, and at all times. The College takes efforts to nurture this quality among students both in the personal and social dimensions. The motto of the college is love of one's fellowmen is true nobility.
